

# COVID-19 PREVENTION FOR YOUR PROTECTION, AND OURS

While practicing good hygiene is always a priority, we recognize in these extraordinary times, **we too must be extraordinary.**

*We're handshake free*

*We're routinely cleaning & disinfecting*

*We're prepared & remain available*

Thank you for trusting us to provide care and service. If you have a question about our precautionary measures to prevent the spread of COVID-19, please ask.
